SUMMARY OF CHANGES

CS HB 145: EXPAND PHARMACIST AUTHORITY

Ver. A to Ver. B

Section 8. Other Patient Care Services:

Removed language conflicting with existing regulation and language that implied expanding what pharmacists could prescribe individuals.

Added language to further clarify that nothing in the bill expanded pharmacists' prescriptive authority beyond what is already allowed.

NEW SECTION ADDED:

Section 12. Coverage for costs of services provided by pharmacists.

Adds a new section to *AS 21.42 The Insurance Contract* requiring insurance coverage for health care services provided by licensed pharmacists.
