Subject: RE: Alaska Food Product Systems Funded
Date: Monday, April 25, 2022 12:25:33 PM

Monday April 25, 2022

Greetings...This brevity message comes to convey the importance of the imperative Alaska Food Product System be funded. Alaskans depend on it in becoming more self reliant and in nuturing Alaska agricultural edible resources. I ask this matter be included in the Alaska' budget. Thank you. ... Ms. Jo Woodward
