Legacy UCR definition of rape (until 2013)

The carnal knowledge of a female forcibly and against her will.

“Carnal Knowledge” is defined as sexual intercourse, or the slightest penetration of a female sex organ by a male sex organ.

“Against her will” implies the victim’s lack of consent, including cases where a victim is incapable of giving consent due to the victim’s youth, or the victim’s temporary or permanent mental or physical incapacity.
