## MEMORANDUM

February 8, 2022

**SUBJECT:** Repealing ch. 2, SLA 2021 (Work Order No. 32-LS1497\A)

**TO:** Senator Lora Reinbold  
Attn: Kelli Toth

**FROM:** Megan A. Wallace  
Director

Attached is the draft bill you requested, relating to the repeal of ch. 2, SLA 2021 (HB 76). Please note that some sections were not repealed, because they have already been repealed. More specifically, under sec. 21, ch. 2, SLA 2021, secs. 1 - 3, 5, 7, 8, 11, and 17 were repealed on April 30, 2021, when the governor declared that the public health disaster emergency no longer existed.<sup>1</sup> I also did not repeal sec. 6, because the final report was due under that section no later than January 31, 2022, which has already passed. Please note that considering your request to repeal the Act in its "entirety," I repealed sec. 12, which is a section preventing the governor from using the revised program legislative (RPL) process to increase an appropriation item for the fiscal years ending June 30, 2021, and June 30, 2022, based on certain additional federal receipts. If you did not intend to repeal that restriction, please let me know. Finally, secs. 18 and 19 were not repealed, because they created new repeal dates for ch. 10, SLA 2020, which have already passed.

Please let me know if you have any questions.
