29 (3) the application fee established by the department;

30 (4) the license fee established by the department; and

31 (5) a surety bond or other security as required by AS 06.55.505.

4 **Sec. 06.55.105. Issuance of license.** (a) When an application for an initial

7 department shall notify the applicant in a record of the date on which the application

12 (2) the license takes effect on the first business day after expiration of  
13 the 120-day period.

14 (b) The department may for good cause extend the application period.

15 (c) A determination by the department that an application is complete and is  
16 accepted for processing means only that the application, on its face, appears to include  
17 all required items, including a criminal background check, and address all required  
18 matters. The department's determination is not an assessment of the substance of the  
19 application or of the sufficiency of the information provided.

20 (d) When an application is filed and considered to be complete under (c) of  
21 this section, the department shall investigate the applicant's financial condition,  
22 financial responsibility, financial experience, business experience, competence level,  
23 character, and general fitness. The department may conduct an on-site investigation of  
24 the applicant, and the applicant shall pay the reasonable cost of the on-site

6 results of a state that is the lead investigator in the multistate licensing process; or

10 section.

11 (f) The department shall issue a formal written notice of a denial of a license  
12 application within 30 days after the decision to deny the application. The department  
13 shall set out in the notice of denial the specific reasons for the denial. An applicant  
14 may appeal to the department a denial within 30 days after receiving the written notice  
15 of the denial and may request a hearing.

16 (g) The initial license term begins on the day the application is approved. The  
17 license expires on December 31 of the year in which the license is issued, unless

18 (1) the initial license is issued between November 1 and December 31,  
19 in which case the initial license term runs through December 31 of the following year;

4 (c) The department may for good cause grant an extension of the renewal  
5 filing deadline.

25 industries.

26 **Sec. 06.55.110. Consistent state licensing.** (a) To establish consistent  
27 licensing between this state and other states, the department may

28 (1) implement all licensing provisions of this chapter in a manner that  
29 is consistent with other states that have adopted multistate licensing processes; and

30 (2) participate in nationwide protocols for licensing cooperation and  
31 coordination among state regulators if the nationwide protocols for licensing

1 cooperation and coordination are consistent with this chapter.

2 (b) To fulfill the purposes of this chapter, the department may establish

19 itself out as being able to engage in virtual currency business activity unless the person  
20 is

21 (1) licensed under this chapter; or

22 (2) exempt from licensing under AS 06.55.802.

23 (b) A person that is licensed to engage in virtual currency business activity is

29 the department determines to be reasonably necessary for the protection of persons.  
30 The department shall determine by regulation or order the time and form required for  
31 disclosure. A disclosure required by this section must be made separately from any

1 other information provided by the licensee and in a clear and conspicuous manner in a

3 alternate disclosures as more appropriate for its virtual currency business activity.

4 (b) Before establishing a relationship with a person, a licensee shall disclose,  
5 to the extent applicable to the virtual currency business activity the licensee will

9 the timing of the fees and charges;

10 (2) whether the product or service provided by the licensee is covered  
11 by

12 (A) a form of insurance or is otherwise guaranteed against loss

14 (i) up to the dollar equivalent of virtual currency  
15 purchased from the licensee or for control of virtual currency by the  
16 licensee as of the date of the placement or purchase, including the  
17 maximum amount provided by insurance under the Federal Deposit  
18 Insurance Corporation or otherwise available from the Securities  
19 Investor Protection Corporation; or

20 (ii) if not provided at the dollar equivalent of virtual  
21 currency purchased from the licensee or for control of virtual currency  
22 by the licensee, the maximum amount of coverage for each person  
23 expressed in the dollar equivalent of the virtual currency; or

24 (B) private insurance against theft or loss, including cyber

10 date or time when the person initiates an instruction to make the transfer or exchange;

11 (6) whether the person has a right to stop a pre-authorized payment or  
12 revoke authorization for a virtual currency transfer and the procedure to initiate a stop-

18 currency business activity with the person, and the policies applicable to the person's  
19 account; and

20 (9) that virtual currency is not money, that other persons are not  
21 required to take payment in virtual currency, that the value of virtual currency can  
22 change, and that virtual currency may not be backed by a governmental agency.

23 (c) Except as provided in (d) of this section, at the conclusion of a virtual

6 A licensee that has control of virtual currency for a person shall maintain in the

9 (b) If a licensee violates (a) of this section, the property interests of the person  
10 in the virtual currency are pro rata property interests in the type of virtual currency to

12 the virtual currency or the licensee obtained control of the virtual currency.

13 (c) The virtual currency referred to in this section is

- 14 (1) held for the person entitled to the virtual currency;
- 15 (2) not property of the licensee;
- 16 (3) not subject to the claims of creditors of the licensee; and
- 17 (4) considered a permissible investment under AS 06.55.502.

18 **Sec. 06.55.165. Additional requirements and clarifications for virtual**  
19 **currency business activities.** (a) A licensee engaged in a virtual currency business

23 virtual currency in the licensee's calculation of tangible net worth, except virtual

25 virtual currency is measured by the average value of the virtual currency expressed in  
26 the dollar equivalent over the previous six calendar months.

27 (c) For five years after the date of virtual currency business activity with or on  
28 behalf of a person, a licensee shall maintain a record of

5 resident, and, to the extent feasible, other parties to the transaction;

6 (2) the aggregate number of transactions and aggregate value of  
7 transactions by the licensee with or on behalf of the person and for the licensee's  
8 account in this state, expressed in the dollar equivalent of virtual currency for the  
9 previous 12 calendar months;

10 (3) each transaction in which the licensee engaged in a virtual currency  
11 exchange of one form of virtual currency for money or another form of virtual  
12 currency with or on behalf of the person;

13 (4) a general ledger posted at least monthly that lists all assets,  
14 liabilities, capital, income, and expenses of the licensee;

15 (5) each report required to be submitted under AS 06.55.403;

16 (6) bank statements and bank reconciliation records for the licensee  
17 and the name, account number, and mailing address of each bank the licensee uses in  
18 the conduct of its virtual currency business activity with or on behalf of the person;

19 (7) a report of any dispute with the person; and

20 (8) a report of any virtual currency business activity transaction with or  
21 on behalf of the person that the licensee was unable to complete.

22 (d) A licensee shall maintain the records required by (c) of this section in a  
23 form that enables the department to determine whether the licensee is in compliance  
24 with a court order, this chapter, or other law of this state.

17 (9) acknowledge receipt of the written policies and procedures  
18 required under (a)(1) of this section.

19 (d) If the licensee's license is suspended, revoked, surrendered, or expired, the

28 authorized delegate commingles any funds received from money transmission with  
29 any other funds or property owned or controlled by the authorized delegate, all  
30 commingled funds and other property shall be considered held in trust in favor of the  
31 licensee in an amount equal to the amount of money net of fees received from money

2 (f) An authorized delegate may not use a subdelegate to conduct money  
3 transmission on behalf of a licensee.

7 have complete access to, all records the department reasonably requires to conduct a  
8 complete examination. The licensee or authorized delegate shall provide the records at  
9 the location and in the format specified by the department. The department may use

11 multistate record production standards and examination procedures will reasonably  
12 achieve the requirements of this section.

13 (c) Unless otherwise directed by the department, a licensee shall pay all costs  
14 reasonably incurred in connection with an examination of a licensee or a licensee's  
15 authorized delegate.

16 (d) Information obtained during an examination under this chapter may be

13 \* **Sec. 14.** AS 06.55.403 is amended by adding a new subsection to read:

14 (d) The department may use the registry for the submission of reports required  
15 by this section.

16 \* **Sec. 15.** AS 06.55.404 is repealed and reenacted to read:

17 **Sec. 06.55.404. Control; acquisition; passive investor.** (a) A person or group  
18 of persons acting in concert seeking to acquire control of a licensee shall obtain the  
19 written approval of the department before acquiring control. An individual is not  
20 considered to acquire control of a licensee when the individual becomes a key  
21 individual in the ordinary course of business.

22 (b) A person, or group of persons acting in concert, seeking to acquire control  
23 of a licensee shall, in cooperation with the licensee,

24 (1) submit an application in a form and in a medium prescribed by the  
25 department that includes the information required by AS 06.55.412, as applicable; and

26 (2) submit a nonrefundable fee with the request for approval.

27 (c) The department may permit a licensee or the person, or group of persons  
28 acting in concert, to submit some or all information required by the department under  
29 (b)(1) of this section without using the registry.

30 (d) When an application for acquisition of control appears to include all  
31 required information and to address all matters required by the department, the

1 application is considered complete, and the department shall notify the applicant in a  
2 record of the date on which the department determines the application is complete.  
3 The department shall approve or deny the application within 120 days after the date  
4 the application was determined to be complete. If the application is not approved or  
5 denied within 120 days after the completion date,

6 (1) the application is approved; and

7 (2) the person or group of persons acting in concert is not prohibited  
8 from acquiring control.

9 (e) The department may for good cause extend the period for approving or  
10 denying an application under (d) of this section.

11 (f) A determination by the department that an application is complete and is  
12 accepted for processing means only that the application, on its face, appears to include  
13 all required items, including a criminal background check, and address all required  
14 matters. The department's determination is not an assessment of the substance of the  
15 application or of the sufficiency of the information provided.

16 (g) When an application is filed and considered to be complete under (d) of  
17 this section, the department shall investigate the financial condition, financial  
18 responsibility, financial experience, business experience, competence level, character,  
19 and general fitness of the person or group of persons acting in concert seeking to  
20 acquire control. The department shall approve a request for acquisition of control if  
21 the department finds that

22 (1) the requirements of (b) of this section have been met, as applicable;

23 and

24 (2) the financial condition, financial responsibility, financial  
25 experience, business experience, competence level, character, and general fitness of  
26 the person, or group of persons acting in concert, seeking to acquire control, and the  
27 experience, competence level, character, and general fitness of the key individuals and  
28 persons that would be in control of the licensee after the acquisition of control indicate  
29 that it is in the public interest to permit the person, or group of persons acting in  
30 concert, to control the licensee.

31 (h) If an applicant for approval to acquire control is subject to a multistate

1 licensing process, the department may

2 (1) accept the investigation results of a lead investigative state for the  
3 purposes of (g) of this section; or

4 (2) investigate the applicant in accordance with (g) of this section and  
5 the time frames established by agreement through the multistate licensing process.

6 (i) The department shall issue a formal written notice of a denial of an  
7 application for approval to acquire control within 30 days after the decision to deny  
8 the application. The department shall set out in the notice of denial the specific reasons  
9 for the denial. An applicant may appeal a denial within 30 days after receiving the  
10 written notice of the denial.

11 (j) The requirements of (a) and (b) of this section do not apply to

12 (1) a person that acts as a proxy for the sole purpose of voting at a  
13 designated meeting of the shareholders or holders of voting shares or voting interests  
14 of a licensee or a person in control of a licensee;

15 (2) a person that acquires control of a licensee by devise or descent;

16 (3) a person that acquires control of a licensee as a personal  
17 representative, custodian, guardian, conservator, or trustee, or as an officer appointed  
18 by a court of competent jurisdiction or by operation of law;

19 (4) a person that is exempt under AS 06.55.802(4);

20 (5) a person that the department, by regulation or order, determines to  
21 be exempt from the requirements of (a) and (b) of this section because that exemption  
22 is in the public interest;

23 (6) a public offering of securities of a licensee or a person in control of  
24 a licensee; or

25 (7) an internal reorganization of a person in control of a licensee where  
26 the ultimate person in control of the licensee remains the same.

27 (k) A person exempt from the requirements of (a) and (b) of this section, in  
28 cooperation with the licensee, shall notify the department within 15 days after the  
29 acquisition of control.

30 (l) Before filing an application for approval to acquire control of a licensee, a  
31 person may request in writing a determination from the department as to whether the

1 person would be considered a person in control of a licensee upon consummation of a  
2 proposed transaction. If the department determines that the person would not be a  
3 person in control of a licensee, the proposed person and transaction are not subject to  
4 the requirements of (a) and (b) of this section.

5 (m) If a multistate licensing process includes a determination made under (l)  
6 of this section and an applicant is subject to the multistate licensing process, the  
7 department may

8 (1) accept the control determination of a lead investigative state; or

9 (2) investigate the applicant in accordance with this section and the  
10 time frames established by agreement through the multistate licensing process.

11 (n) The requirements of (a) and (b) of this section do not apply to a person that  
12 has complied with and received approval to engage in money transmission under this  
13 chapter or who has identified as a person in control in a previous application filed with  
14 and approved by the department or by an accredited state in accordance with a  
15 multistate licensing process, if

16 (1) in the previous five years, the person has not had a license revoked  
17 or suspended or controlled a licensee that has had a license revoked or suspended  
18 while the person was in control of the licensee;

19 (2) the person is a licensee, the person is well managed and has  
20 received at least a satisfactory rating for compliance at the person's most recent  
21 examination by an accredited state if a rating was given;

22 (3) the licensee to be acquired is projected to meet the requirements of  
23 this chapter, including AS 06.55.501, 06.55.505, and 06.55.510 after the acquisition of  
24 control is completed, and if the person acquiring control is a licensee, the licensee is  
25 also projected to meet the requirements of this chapter, including AS 06.55.501,  
26 06.55.505, and 06.55.510, after the acquisition of control is completed;

27 (4) the licensee to be acquired will not implement any material  
28 changes to the licensee's business plan as a result of the acquisition of control, and if  
29 the person acquiring control is a licensee, the licensee also will not implement any  
30 material changes to the licensee's business plan as a result of the acquisition of control;  
31 and

1 (5) the person provides notice of the acquisition in cooperation with  
2 the licensee and attests to (1) - (4) of this subsection in a form and in a medium  
3 prescribed by the department.

4 (o) If the notice required under (n)(5) of this section is not disapproved within  
5 30 days after the date on which the notice was determined to be complete, the notice is  
6 considered to be approved.

7 (p) To determine the percentage of a person controlled by any other person,  
8 the person's interest shall be aggregated with the interest of any other immediate  
9 family member, including the person's spouse, parents, children, siblings, relative by  
10 marriage, and any other individual who shares the home of the controlled person.

11 (q) A passive investor is not considered to have control under this chapter. To  
12 be a passive investor, a person

13 (1) may not have the power to elect a majority of key individuals or  
14 executive officers, managers, directors, trustees, or other persons exercising  
15 managerial authority of a person in control of a licensee;

16 (2) may not be employed by or have managerial duties of the licensee  
17 or person in control of a licensee;

18 (3) may not have the power to exercise, directly or indirectly, a  
19 controlling influence over the management or policies of a licensee or person in  
20 control of a licensee; and

21 (4) shall attest to (1) - (3) of this subsection on a form and in a medium  
22 prescribed by the department, or commit to the requirements of (1) - (3) of this  
23 subsection in a written document.

15 prepared in accordance with generally accepted accounting principles; and

16 (2) other information the department reasonably requires.

17 (b) The audited financial statements must be prepared by an independent  
18 certified public accountant or independent public accountant who is satisfactory to the

26 **Sec. 06.55.409. Implementation.** (a) To carry out the purposes of this chapter,  
27 subject to AS 06.55.407, the department may

9 (b) The department has broad administrative authority to administer, interpret  
10 and enforce this chapter, to adopt regulations implementing this chapter, and to  
11 recover the cost of administering and enforcing this chapter by imposing and  
12 collecting proportionate and equitable fees and costs associated with applications,

14 chapter.

15 **Sec. 06.55.410. Networked supervision.** (a) The department may participate  
16 in multistate supervisory processes established between and among states and  
17 coordinated through an organization determined by the department to be a nationally

28 conduct an examination or investigation or otherwise take independent action to  
29 enforce compliance with applicable state or federal law.

30 (c) A joint examination or investigation, or acceptance of an examination or

1 chapter.

2 **Sec. 06.55.411. Relationship to federal law.** (a) If state money transmission  
3 jurisdiction is conditioned on a federal law, any inconsistency between a provision of

21 notice of disapproval within 90 days after the department determines the notice  
22 provided under (a) of this section to be complete.

23 (c) A notice of disapproval shall contain a statement of the basis for the  
24 disapproval and be sent to the licensee and the disapproved individual. A licensee may  
25 appeal a notice of disapproval within 30 days after receipt of the notice.

26 (d) If the notice provided under (a) of this section is not disapproved within 90  
27 days after the date the notice was determined to be complete, the key individual is  
28 considered to be approved.

29 (e) If a multistate licensing process includes a key individual notice review  
30 and disapproval process, and the licensee is subject to the multistate licensing process,  
31 the department may

1 (1) accept the key individual notice review determination of another  
2 state; or

3 (2) investigate the applicant in accordance with (b) of this section and
