Subject: Veteran apprenticeship numbers partnered with VIPER

Hello Kim,

Here are the national numbers for 2020 and 2021 of veterans brought into apprenticeships through Skillbridge and Army CSP programs we connect veterans to, this does not include those we bring in through traditional routes outside Skillbridge and CSP, we can do more...

*These numbers are for transitioning service members who were brought directly into apprenticeships. Meaning these veterans knew what careers they were getting into prior to leaving the service and had guaranteed entry. This DOES NOT include veterans who exited the military and then entered the apprenticeship. VIPER is focused on direct transition to careers and having the pathway created BEFORE they exit the service.

I will work on getting total number of veterans in the apprenticeships.
