## True Life:

A 40-year-old man walks into the AJ TLC Program. Defiance written all across his face, blatant eye-catching mohawk, body riddled with tats, obvious enforcer of the Native Brotherhood; **"I Dare You"** the very aura about him. Though his attitude and body language wreak anger and hatred, inwardly he wrestles with the Holy Spirit. Daily God's Word pierces his flesh deep into his spirit as God does His penetrating transformation. Agony permeates his mind, heart and spirit till he crumbles in absolute surrender to the Living God! Twelve months later he emerges a powerfully humble, sweet spirit full of the grace, love and mercy of the Almighty; espousing verse after applicable verse of the depths of His Heavenly Father's

wisdom and love. Let's call this man Clarence – God's Elder, the Holy Spirit's vehicle of teaching, preaching, sharing; Gods worship leader caught up into the heavens in praise and adoration! One of the most amazing miracles of transformation! Astounding even to this aged and time worn Chaplain – **this is my reason for living, my Disney World, my place of preference. This is one of the greatest places of investment you, I, we all can make towards the kingdom of God!!!**

## ACM Multimedia Assistance:

ACM needs a person or persons who would like to maintain, build, remodel all of ACM's multimedia venues. If you have spare time and would like to use your skills and talents to bring our multimedia up to date with the latest bells and whistles, as well as build new outreach venues, please call our Office Manager, Karen, at 907-339-0432. We currently have a website ([godinprison.com](http://godinprison.com)), Facebook page, and newsletter. We desire not only to keep these up to date but also would like to create more multimedia outreach for ACM. If you are interested please call us.

## Giving:

Yes, the fundraiser is right around the corner, but I wanted to express our sincerest gratitude to all who have given so generously towards computers, laptops, printers, cables, supplies, TV's, Sound Equipment and many other items for all the correctional centers and especially Hiland and Palmer. We use all that is given and assure you that all monies specified are given to that center, Chaplain or location. I wanted to thank you for your generous giving and support. It means so much.

## Fundraiser Help:

There is so much to a fundraiser and if you have time, no matter how little, please call Karen and she will gladly share with you all the intricacies and where we could use you in this event. We need you before, during and after the fundraiser. We really do ... you would truly be a great blessing to us! 907-339-0432.

## Prayer:

As you can imagine there is so much pain, drama, agony and suffering within the razor fences of incarceration. Our incarcerated citizens desperately need your prayers. Our Chaplains need prayer. Our amazing Correctional Staff needs prayer. Prayer is huge and God asks you and I to stand in the gap.

I can't share at this moment but Friday was a serious day at our institution. Very, very difficult! The staff has asked us to pray ... this kind of stuff goes on every day at most if not all correctional centers across Alaska. We so appreciate your daily prayers for all

## Current Status:

All institutions are still under the affects of COVID. The new variant has attacked all our facilities and DOC has instituted the latest protocols. Progress is being made but as you can understand access is still very limited. Please contact your Correctional Facility Chaplain for the latest.

institutions across the state, and those who live, work, and volunteer within them.

Please, also remember to pray, seriously, for our fundraiser!

## From the Director:

### "I am the only one left" ...I Kings 18:22

The prophet bewailed his grief culminating in his pitiful reply to God, "I am the only one left..." God had to remind him that wasn't true in so many ways. I am grateful for "YOU", **YOU** have been so faithful, supporting in so many ways, always there, only God knows the full extent of every one of you who have given, shared, encouraged and supported this ministry. ACM is never alone ... because of God and YOU!

With Deepest Gratitude,

*Rudy Bosley*
