Peter Ashman and Mark Wood were the nominees for the Palmer District Court. The Council agreed that the names should go in a single letter to the governor with a copy of the votes on those nominees. Mr. Council suggested that the staff may want to add a statement to the present form letter that names are not submitted in any preferential order.

The Council next reviewed the Meeting Minutes of April 10, 1987. Ms. Murray moved that the minutes be approved; the motion was seconded by Mr. Council and passed unanimously. Mr. Brown then briefly discussed the purpose of out-of-state travel to the American Bar Association meeting in San Francisco. He mentioned that the current budget allows for the travel for Ms. Greenstein and himself. Mr. Gilmore moved that the out-of-state travel be approved; Ms. Murray seconded the motion and it passed unanimously.

Mr. Brown began his director's report with a statement concerning the FY'88 budget. He informed the Council that $9,000 had been cut from our requested budget and that nothing occurring at the special legislative session should affect that number.

Ms. Greenstein reported on the progress of the "Cameras in the Courts" project. She noted that all the data indicate increased coverage of the courts by the media (both TV and print) since the new Supreme Court Rule went into effect. In addition, more TV air time is given to the story where there is available in-court footage. Newspapers, too, give more space to court stories where they have pictures
