34	GOV	01-9010	(152.6)	UGF	-1	Delete Chief of Enforcement vacant 3 years	Tomaszewski	Anchorage	For the Chief Enforcement Officer position, HRC is attempting to reclassify this position to a supervisor capacity with duties at this level that will oversee all of the Human Rights Field Representatives. The Field Representative position classifications need to be finalized prior to Classifications being able to align the Supervisor position. Each Field Representative position is being reclassified to flexible status that should help recruit and retain staff. In addition to the Chief Enforcement Officer position, there are several other positions that are included in the classification study. Where it makes sense, positions are being reclassified to flexibly filled positions to allow for retention.
