Co-Chairs, House Finance Committee  
Alaska State Capitol  
Juneau, Alaska 99801-1182

Dear Co-Chairs:

This letter is in response to a question raised in the March 8, 2023, meeting of the House Finance Committee. At the meeting, the Department of Commerce, Community, and Economic Development presented an overview of FY2024 budget requests and received the following question.

*Please provide a list of growth per profession for each professional licensing program for the last ten years, to include which new professional licensing programs or license types have been added during that time period.* A table that outlines professional licensure counts from FY2012 to FY2022 and details the percentage change for each profession is attached. New professional licensing programs added during the 10-year span are noted.

Thank you for the opportunity to share this additional information with the subcommittee.

Sincerely,

A handwritten signature in black ink, appearing to read "H Lager".
