Sectional Analysis

HB 131 Voting Machines

"An Act relating to voting machines and vote tally systems; and providing for an effective date."

Section 1. Amends AS 15.20.910 requiring open-source voting machine or tally system that utilizes off-the-shelf firmware or software technology. Also requires the technology to meet standards and certification established by the United States Election Assistance Commission.

Section 2. Amends AS 15.20.910 by adding a new subsection that gives definition to "commercial off the shelf" and open-source software technology.

Section 3. Non codified effective date
