RE: Support of SB 94

Dear Senator Giessel,

The Alaska Pharmacists Association represents pharmacists, pharmacy technicians, students and pharmacies across the State of Alaska. SB 94, "An Act relating to the Board of Pharmacy" is the result of collaboration between the Alaska Board of Pharmacy (BoP) and the Alaska Pharmacists Association (AKPhA) to modernize pharmacy practice statutes.

This legislation is incredibly important to the profession of pharmacy as well as patients' access to safe medications in Alaska. Thank you for sponsoring this important bill.

We appreciate your support of this bill that will allow the BoP to continue to meet its mission in promoting, preserving, and protecting Alaskans' public health, safety, and welfare.

Sincerely,

A handwritten signature in black ink that reads "Brandy Seignemartin".

Brandy Seignemartin, PharmD
