QUESTION

- ✓ How often do you have conversations with your child about career or college preparation?

Answer distribution

If your district is interested in receiving National Student Clearinghouse data, contact the Alaska Commission on Postsecondary Education at eed.acpe-execdirector@alaska.gov.

The School Climate & Connectedness Survey also provides insights on future plans as early as middle school. For support accessing either of these data sources, Contact Emily Ferry, eferry@asb.org, (907) 463-1660.

QUESTION

- > I want very much to get more education after high school.
