Please Support HB 61 & SB 63

Dear Senator Forrest Dunbar,

As a fellow Alaska resident, I ask you to please support the companion bills SB 63 and HB 61.

During recent times of uncertainty, many of our friends, family, and neighbors chose to exercise their Second Amendment rights for the first time. Unfortunately, we saw anti-gun officials in jurisdictions around the country use the state of emergency as a pretext to unilaterally suspend a constitutional right, by shutting down gun stores and ranges, and preventing fellow citizens from accessing arms, ammunition, or even proper training.

SB 63 and HB 61 ensure that this can never happen in Alaska, so that anti-gun officials cannot disarm citizens when they need such a fundamental right the most.

Sincerely,
Daniel Krueger

Please Support HB 61 & SB 63

Dear Senator Forrest Dunbar,

As a fellow Alaska resident, I ask you to please support the companion bills SB 63 and HB 61.

During recent times of uncertainty, many of our friends, family, and neighbors chose to exercise their Second Amendment rights for the first time. Unfortunately, we saw anti-gun officials in jurisdictions around the country use the state of emergency as a pretext to unilaterally suspend a constitutional right, by shutting down gun stores and ranges, and preventing fellow citizens from accessing arms, ammunition, or even proper training.

SB 63 and HB 61 ensure that this can never happen in Alaska, so that anti-gun officials cannot disarm citizens when they need such a fundamental right the most.

Sincerely,
Charles Jeffus

Please Support HB 61 & SB 63

Dear Senator Forrest Dunbar,

As a fellow Alaska resident, I ask you to please support the companion bills SB 63 and HB 61. During recent times of uncertainty, many of our friends, family, and neighbors chose to exercise their Second Amendment rights for the first time. Unfortunately, we saw anti-gun officials in jurisdictions around the country use the state of emergency as a pretext to unilaterally suspend a constitutional right, by shutting down gun stores and ranges, and preventing fellow citizens from accessing arms, ammunition, or even proper training.

SB 63 and HB 61 ensure that this can never happen in Alaska, so that anti-gun officials cannot disarm citizens when they need such a fundamental right the most.

The Second Amendment is crystal clear, "The Right of the people to keep and bear arms SHALL NOT be infringed". Period.

Please Support HB 61 & SB 63

Dear Senator Forrest Dunbar,

As a fellow Alaska resident, I ask you to please support the companion bills SB 63 and HB 61.

During recent times of uncertainty, many of our friends, family, and neighbors chose to exercise their Second Amendment rights for the first time. Unfortunately, we saw anti-gun officials in jurisdictions around the country use the state of emergency as a pretext to unilaterally suspend a constitutional right, by shutting down gun stores and ranges, and preventing fellow citizens from accessing arms, ammunition, or even proper training.

SB 63 and HB 61 ensure that this can never happen in Alaska, so that anti-gun officials cannot disarm citizens when they need such a fundamental right the most.

Sincerely,
Justin Arnold

During recent times of uncertainty, many of our friends, family, and neighbors chose to exercise their Second Amendment rights for the first time. Unfortunately, we saw anti-gun officials in jurisdictions around the country use the state of emergency as a pretext to unilaterally suspend a constitutional right, by shutting down gun stores and ranges, and preventing fellow citizens from accessing arms, ammunition, or even proper training. SB 63 ensures that this can never happen in Alaska, so that anti-gun officials cannot disarm citizens when they need such a fundamental right the most. Sincerely, Christopher Sitter
