Agency:	Division of Administrative Services		

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

BILL NO. SB128

Analysis

This legislation amends uncodified law of the State of Alaska by adding a new section that directs the Board of Fisheries and the Department of Fish and Game to close the Alaska Peninsula Management Area M to commercial salmon fishing from June 10 through June 30, 2023.

The value of the June test fishery that will not be conducted under the closure is (\$34.0). The reduction in (\$24.7) GFPR is an estimated reduction of 25% in commercial crew license sales based on the number of permits in the Area M fisheries.
