Subject: HB153 - Oil and Gas Property tax

Dear Chair McCormick and Members of the House Community and Regional Affairs Committee,
I write in strong support of House Bill 153 proposing an increase in the oil and gas property tax which will benefit state revenues. It is long overdue for our state to diversify its income sources.

I encourage your committee's prompt passage of HB 153.

Thank you.

Instead of new taxes, use fiscal restraint. Taxing discourages businesses from flourishing in our state of Alaska.
