Intent

It is the intent of the legislature that funding for the community jails program be distributed in an equitable fashion that best meets the needs of the community. The Department of Corrections (DOC) shall restructure the allocation by developing a formula for jail operational costs and utilization for the redistribution of the funds. DOC should develop allowable standardized costs for jail operations to assist in providing a basis for the formula. DOC shall then submit a report to the Finance Co-chairs and the Legislative Finance Division by December 20th, 2023 that outlines the methods taken.
