Subject: Please Pass HB 99/SB108: LGBTQ+ Equality and Oppose HB 105/SB96

Dear Alaska Senate Labor & Commerce Committee AK Senate Labor & Commerce,

Please pass HB 99/SB 108: LGBTQ+ Equality and oppose HB 105/SB96, Governor Dunleavy's attack on LGBTQ+ youth.

LGBTQ+ Alaskans deserve equality, period. LGBTQ+ Alaskans are our friends, neighbors, family, and coworkers. When it comes to being able to earn a living, having a place to live, or being served by a business or government office, they should be treated like anyone else and not be discriminated against.

I urge you to pass HB 99/SB108: LGBTQ+ Equality.

Governor Dunleavy's HB 105/SB96 is an attack on LGBTQ+ youth and will undoubtedly increase bullying, harassment, and stigmatization towards trans students in particular. Through this bill, Dunleavy is attacking Alaska students' sense of safety, making it extremely difficult for LGBTQ+ kids to live healthy and safe lives. All kids deserve to be safe at school. Trans youth should be treated with dignity and respect and should have the opportunity to live a healthy life.

To protect all students' privacy and health, I urge you to oppose HB 105/SB96.

Thank you for your time.
Jennifer Campbell

Subject: Please Pass HB 99/SB108: LGBTQ+ Equality and Oppose HB 105/SB96

Dear Alaska Senate Labor & Commerce Committee AK Senate Labor & Commerce,

Please pass HB 99/SB 108: LGBTQ+ Equality and oppose HB 105/SB96, Governor Dunleavy's attack on LGBTQ+ youth.

LGBTQ+ Alaskans deserve equality, period. LGBTQ+ Alaskans are our friends, neighbors, family, and coworkers. When it comes to being able to earn a living, having a place to live, or being served by a business or government office, they should be treated like anyone else and not be discriminated against.

I urge you to pass HB 99/SB108: LGBTQ+ Equality.

Governor Dunleavy's HB 105/SB96 is an attack on LGBTQ+ youth and will undoubtedly increase bullying, harassment, and stigmatization towards trans students in particular. Through this bill, Dunleavy is attacking Alaska students' sense of safety, making it extremely difficult for LGBTQ+ kids to live healthy and safe lives. All kids deserve to be safe at school. Trans youth should be treated with dignity and respect and should have the opportunity to live a healthy life.

To protect all students' privacy and health, I urge you to oppose HB 105/SB96.

Thank you for your time.

Sincerely,
Mr. Kasey Felipe

I've worked for around 15 years as an Alaskan educator in Anchorage, Lower Yukon, Haines, and the Matsu. In every high school, I have worked with students who deeply struggle with acceptance around LGBTQ+ issues. Many of these teens feel unseen, unheard, and helpless/hopeless. The last thing these teens need is another barrier placed in front of them telling them they are wrong or flawed. Mental health issues are soaring for most teens today, and especially for our LGBTQ+ teens. Please help support and protect them.

Subject: Public comment in strong support of SB108 -- prohibiting discrimination

Dear Members of the Senate Labor and Commerce and State Affairs Committees,

I write to urge passage of SB108, a long overdue measure to make it clear in state law that we, as a state and as Alaskans, do not allow discrimination and unequal treatment of our citizens based on sexual orientation or gender identity or expression.

Frankly, it is hard for me to fathom opposition to quick passage of this legislation. Certainly no one can deny that thousands of Alaskans DO suffer such discrimination every single day; discrimination that is heartbreakingly painful, increases rates of depression and suicide, and holds Alaskans back from living their most secure, happy, fulfilling lives. Passage of SB108, or its companion House bill, HB99, would simply make it clear that no Alaskan, based on their sexual orientation or gender identity, will be denied the right to live under the principles we all hold dear -- each citizen's right to life, liberty, and the pursuit of happiness; to live, genuinely, in safety, peace, and security; and to be able to reach our full potential as individuals and contributing members of society.

PLEASE schedule and pass this very important legislation as soon as possible.

Thank you,

Mary McDowell

Dear Alaska Senate Labor & Commerce Committee AK Senate Labor & Commerce,

Please pass HB 99/SB 108: LGBTQ+ Equality and oppose HB 105/SB96, Governor Dunleavy's attack on LGBTQ+ youth.

LGBTQ+ Alaskans deserve equality, period. LGBTQ+ Alaskans are our friends, neighbors, family, and coworkers. When it comes to being able to earn a living, having a place to live, or being served by a business or government office, they should be treated like anyone else and not be discriminated against.

I urge you to pass HB 99/SB108: LGBTQ+ Equality.

Governor Dunleavy's HB 105/SB96 is an attack on LGBTQ+ youth and will undoubtedly increase bullying, harassment, and stigmatization towards trans students in particular. Through this bill, Dunleavy is attacking Alaska students' sense of safety, making it extremely difficult for LGBTQ+ kids to live healthy and safe lives. All kids deserve to be safe at school. Trans youth should be treated with dignity and respect and should have the opportunity to live a healthy life.

To protect all students' privacy and health, I urge you to oppose HB 105/SB96.

Thank you for your time.

Sincerely,
Mx. Seth Anderson

Subject: SB108

Dear House Community and Regional Affairs:

I am in support of SB108 and HB99, "An Act relating to and prohibiting discrimination based on sexual orientation or gender identity or expression."

Gender equality has the potential to prevent violence and bullying against an all ready marginalized and at risk group. Prohibiting any form of discrimination is essential for economic prosperity for their own lives and the communities they live in.

The consequences of gender discrimination can be dire in housing, work, health, personal, social and emotional well being that affect not only the individual, but their families, friends and communities they live in.

Research makes it crystal clear that discrimination has far-ranging effects on health and well being with consequences that are especially compounded for vulnerable populations such as people of color, youth and adolescents, and LGBT Americans. Discrimination increases the risks of poor mental and physical health, including depression, anxiety, suicide, PTSD, substance use and cardiovascular disease.

Our goal should be to help people succede and not make their lives harder in our communities. After all they are here to stay and what we do going forward affects us all.

Best,
Candy Rohrer

Dear Alaska Senate Labor & Commerce Committee AK Senate Labor & Commerce,

Please pass HB 99/SB 108: LGBTQ+ Equality.

It's incredibly upsetting to know that many of my friends and I are not fully protected by the law against discrimination here in Alaska. It's shocking that Alaska was the first U.S. state or territory to pass an anti-discrimination law and that we were able to secure marriage equality before Obergefell v. Hodges but we can't seem to ensure that all Alaskans can live their lives free from discrimination. There are only 4 communities in the state that have passed ordinances to protect the rights of queer Alaskans and unfortunately Fairbanks, my community, the place where I was born and raised, is not one of them. Despite overwhelming support from the community and the city council, protections for LGBTQ+ folks in Fairbanks were stopped by one man.

With the Alaska State Commission for Human Rights recently refusing to investigate non-employment related complaints based on sexual orientation or gender identity (despite previously doing so) it is clear that civil rights for LGBTQ+ Alaskans must be enshrined in state law where they will be fortified against meaningless culture wars and hate.

Queer Alaskans deserve to live, work, and thrive here.

Dear Alaska Senate Labor & Commerce Committee AK Senate Labor & Commerce,

Please pass HB 99/SB 108: LGBTQ+ Equality and oppose HB 105/SB96, Governor Dunleavy's attack on LGBTQ+ youth.

LGBTQ+ Alaskans deserve equality, period. LGBTQ+ Alaskans are our friends, neighbors, family, and coworkers. When it comes to being able to earn a living, having a place to live, or being served by a business or government office, they should be treated like anyone else and not be discriminated against.

I urge you to pass HB 99/SB108: LGBTQ+ Equality.

Governor Dunleavy's HB 105/SB96 is an attack on LGBTQ+ youth and will undoubtedly increase bullying, harassment, and stigmatization towards trans students in particular. Through this bill, Dunleavy is attacking Alaska students' sense of safety, making it extremely difficult for LGBTQ+ kids to live healthy and safe lives. All kids deserve to be safe at school. Trans youth should be treated with dignity and respect and should have the opportunity to live a healthy life.

To protect all students' privacy and health, I urge you to oppose HB 105/SB96.

Governor Dunleavy's HB 105/SB96 is an attack on LGBTQ+ youth and will undoubtedly increase bullying, harassment, and stigmatization towards trans students in particular. Through this bill, Dunleavy is attacking Alaska students' sense of safety, making it extremely difficult for LGBTQ+ kids to live healthy and safe lives. All kids deserve to be safe at school. Trans youth should be treated with dignity and respect and should have the opportunity to live a healthy life.

To protect all students' privacy and health, I urge you to oppose HB 105/SB96.

You know that as a group of people mostly identifying as republicans or conservatives who are worried about government overreach maybe you shouldn't overreach into what Alaskan kids go by or identify as. If you pass HB 105 you're on your way to making the state authoritarian and hostile to all of us. Don't be monsters and don't attack our youth.

Thank you for your time.

Dear Alaska Senate Labor & Commerce Committee AK Senate Labor & Commerce,

Please pass HB 99/SB 108: LGBTQ+ Equality and oppose HB 105/SB96, Governor Dunleavy's attack on LGBTQ+ youth.

I can't believe I have to do this again- so soon after writing the last time (March 30). I'm writing to express my vehement opposition to HB105. I would call in but I will be at my 2nd job during the public testimony time frame- a job taken so I can help pay for out of state college for my trans son. College in a state where we feel he can be safe and be himself without constant attacks from people who deny his very existence.

The agony I went through as a parent watching my child struggle with mental health issues in his pre-teen years is reemerging now as fear over his safety in our home state and many parts of the country. It took a long struggle in counseling for him to realize what was so negatively impacting his mental health- the anxiety, depression, intrusive thoughts, self-harm-- all finally began subsiding as he started outing himself as trans and asking us to use his new name and pronouns. My son was always a straight-A student, in gifted, AP, and IB classes. School had always been his favorite place. He buried himself in his schoolwork and maintained his high grades but school became almost unbearable at times. On the surface his school was supportive of LGBTQ kids, including special accommodations for trans kids. However, certain individuals took it upon themselves to not follow the accommodating practices. There were also problems with substitute teachers deadnaming my son due to database issues. Due to COVID concerns, there were multiple substitute teachers daily. So my son's refuge became a dreaded place. Eventually, we were able to work with the principal and other staff to address the problems and life settled into that of a typical HS senior- college exams, applications, essays, and prom rather than anxiety and multiple meetings over names and pronouns. My son is now a pre-med major at a top-tier school on a huge merit award- a testament to his resilience and the support of family, counselors, and many individuals at his school.

To now threaten to take those same supportive systems away from other struggling kids is criminal. My son had the support of his family and could be out at home, however many children do not have that chance. Even my son came out at school first- to friends and teachers before gathering his courage to come out at home. To think that other children would be forcibly outed without their consent before they're ready is appalling. To not provide bathroom facilities for all students to feel safe while taking care of bodily necessities is appalling.

I am unhappily willing to provide more information about our struggles and successes in order to help defeat bills like this.

Sincerely, Kim

Sincerely,
Ms. Kimberly Kloecker

All students deserve to be given info to make their own choices. Parents can and should participate in family discussions. I led these discussions for many years, the day before classes were to be held--so that parents could educate themselves and know what the discussions would be in school so that they could follow up at home. Please don't take this away from children and families - who often feel uncomfortable otherwise, bringing it up at all til a crisis occurs.

Subject: Please Pass HB 99/SB108: LGBTQ+ Equality and Oppose HB 105/SB96

Dear Alaska Senate Labor & Commerce Committee AK Senate Labor & Commerce,

Please pass HB 99/SB 108: LGBTQ+ Equality and oppose HB 105/SB96, Governor Dunleavy's attack on LGBTQ+ youth.

LGBTQ+ Alaskans deserve equality, period. LGBTQ+ Alaskans are our friends, neighbors, family, and coworkers. When it comes to being able to earn a living, having a place to live, or being served by a business or government office, they should be treated like anyone else and not be discriminated against.

I urge you to pass HB 99/SB108: LGBTQ+ Equality.

Governor Dunleavy's HB 105/SB96 is an attack on LGBTQ+ youth and will undoubtedly increase bullying, harassment, and stigmatization towards trans students in particular. Through this bill, Dunleavy is attacking Alaska students' sense of safety, making it extremely difficult for LGBTQ+ kids to live healthy and safe lives. All kids deserve to be safe at school. Trans youth should be treated with dignity and respect and should have the opportunity to live a healthy life.

To protect all students' privacy and health, I urge you to oppose HB 105/SB96.

Thank you for your time.

Sincerely,
Mrs. Julie Glynn

Subject: LGBT+ Alaskans Deserve Equality

Dear Alaska Senate Labor & Commerce Committee AK Senate Labor & Commerce,

Please pass HB 99/SB 108: LGBTQ+ Equality and oppose HB 105/SB96, Governor Dunleavy's attack on LGBTQ+ youth.

Alaskans of every kind deserve to be safe from discrimination, and currently discrimination on the basis of sexual orientation, gender identity, and gender expression are not outlawed in statute. Please support HB99/SB 108 to change that.

Furthermore, we cannot afford to implement more discriminatory laws, such as HB 105/ SB 96, which will make it harder to live as a trans kid in Alaska. Putting aside the equity concerns, even for cis kids, forcing parents to approve alternative names that kids prefer to be called in the classroom places unnecessary logistical burdens on teachers and school staff that is the last thing our school system needs.

Supporting our teachers and protecting trans kids are important goals we need to prioritize in education policy. HB99/SB 108 does that. HB 105/ SB 96 does not. Please vote accordingly when you hear these bills.

The continued assault on the rights of LGBTQ2IA+ people must stop, many are having to find exit strategies and plan to flee the states they are in. I am a lesbian Alaskan, born and raised in Anchorage. I speak from love for my state and my community. LGBTQ+ Alaskans deserve equality. LGBTQ+ Alaskans are our friends, neighbors, family, and coworkers. When it comes to being able to earn a living, having a place to live, or being served by a business or government office, they should be treated like anyone else and not be discriminated against.

Governor Dunleavy's HB 105/SB96 is an attack on LGBTQ+ youth and will undoubtedly increase bullying, harassment, and stigmatization towards trans students in particular. Through this bill, Dunleavy is attacking Alaska students' sense of safety, making it extremely difficult for LGBTQ+ kids to live healthy and safe lives. Requiring parental permission for trans and gender non-conforming students to use their preferred pronouns will threaten the safety of Alaskan kids, and force them into hiding.

Many of you may not understand what it is like to live afraid and in the closet. I did so for most of my youth and young adult life. Policies like this create a hostile environment for incredibly vulnerable trans youth. I came very close to ending my life, but I'm still here because I found a community that loved and accepted me. Trans youth are at a dangerously high risk of losing their life to suicide. All kids deserve to be safe at school and accepted by their community. Trans youth should be treated with dignity and respect and should have the opportunity to live a healthy life.

When it comes to being able to earn a living, having a place to live, or being served by a business or government office, they should be treated like anyone else and not be discriminated against.

I urge you to pass HB 99/SB108: LGBTQ+ Equality.

Governor Dunleavy's HB 105/SB96 is an attack on LGBTQ+ youth and will undoubtedly increase bullying, harassment, and stigmatization towards trans students in particular. Through this bill, Dunleavy is attacking Alaska students' sense of safety, making it extremely difficult for LGBTQ+ kids to live healthy and safe lives. All kids deserve to be safe at school. Trans youth should be treated with dignity and respect and should have the opportunity to live a healthy life.

To protect all students' privacy and health, I urge you to oppose HB 105/SB96.

Thank you for your time.

Sincerely,

Mx. Kai Doak
