FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

BILL NO. HB 165

Analysis

This bill adds a new section, AS 14.03.251 *Charter school established by the board*, that allows the State Board of Education (SBOE) to establish a charter school in a school district under procedures established by the board in regulation. This bill also directs the Department of Education and Early Development to offer and make available a correspondence study program through a centralized office if required to do so by the SBOE.

This bill further amends AS 14.17.430 *State funding for correspondence study* by increasing the multiplier from 90 percent to 150 percent. Additionally, it multiplies that amount by a factor of 11 for each correspondence intensive student in a correspondence program.

This fiscal note includes a one-time cost of \$6.0 for legal fees associated with implementation of the necessary regulation changes associated with the establishment of charter schools by the SBOE.

The effective date for this legislation is July 1, 2023 (FY2024).
