Sectional Analysis

HB 193
(version A)

“An Act relating to funding for Internet services for school districts: and providing for an effective date.”

Sec. 1 - AS 14.03.127(a) is amended to increase the floor of internet download speed from 25 megabits per second (Mbps) to 100 Mbps for Alaskan schools that qualify for discounted Internet services.

Sec. 2 – Sets an immediate effective date.
