NO TO SB 107

> I do not support SB 107. No changes to the PFD. Follow statutory law. Return our withheld royalties. Cut the budget. You all do not need our royalties. I do not consent to this thief of our royalties.

Subject: SB 107 POMV split
Date: Wednesday, May 10, 2023 3:45:31 PM

I support a 75/25 split of a 5POMV withdrawal from the permanent fund earnings reserve with 75% to support government services. We can look forward to a 50/50 split when additional revenue is identified. This split provides a good incentive to earnestly adopt new revenue streams such as a state income tax. It is long past time to pass a sustainable fiscal plan. I am sooooo tired of the endless discussion of each annual PFD. It is time to replenish the CBR.

We oppose SB 107

We oppose SB 107 which takes away 75% of our PFD each session. Our PFD needs to be protected by writing a statute keeping it from being "messed with" every legislative session. WE EXPECT A FULL STATUTORY PFD.
