

**Dear Representative Sumner and Members of the House Labor and Commerce Committee,**

**I am writing to express my strong support for House Bill 186 (HB 186) and its critical provisions related to wage and hour investigations. As a concerned member of our community, I was previously unaware of the existence of wage and hour investigators, and I believe that HB 186 will play a crucial role in addressing this lack of awareness.**

**Furthermore, I am deeply concerned about the practice of some contractors using cash payments to circumvent providing essential benefits to their employees. HB 186's focus on this issue is commendable, and I urge you to champion and pass this bill to ensure fair and transparent employment practices within our state.**

**Thank you for your dedication to addressing these important issues, and I trust that you will consider the positive impact HB 186 can have on our community.**

**Sincerely,**

**Margo Brown JR**
