FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

BILL NO. SB 77

Analysis

SB 77 changes the statute related to municipal economic development property tax exemption. A clause in AS 29.45.050(m) that limits exemptions to amounts that exceed the levies on other properties in excess of the school district's required local contributions under AS 14.17.410 will be removed and a new section that allows for taxation of "blighted property" will be added. The definition, procedures, standards and limits for this tax are outlined in the next section.

The Division of Community and Regional Affairs does not anticipate fiscal impact from this legislation.
