Subject: SB129 An Act naming the Matt Glover Bike Path

Sent from Mail for Windows

Dear House Transportation Committee,

My name is Arleen Glover. Matt Glover is my son. He loved cycling his whole life. His enthusiasm led to my own enjoyment of cycling. He was so much fun and the "best" son. We have ridden together over the years on organized rides and casual ones. Visiting him in North Pole, we cycled the bike paths there. He was very conscientious of being visible on his bike with reflective clothing and lights. But with all that, he wasn't safe. Expectantly, the grief we family and friends feel at loosing Matt is deep. We pray this new "bike and pedestrian path" will protect other lives. Please pass SB129, An Act naming the Matt Glover Bike Path. It would honor his memory and dedication to cycling and I know he would be glad that future cyclers would be safer.

Thank you,
Arleen Glover

I am writing to express my support of the "Act of Naming the Matt Glover Path" bill, SB 129.

This would be a powerful way to honor a man who devotedly rode his bicycle in that area to work for many years. My friend Ariane Glover (Matt's widow) had expressed concern to me about her husband's early morning commute on the highway, even though he kept himself extremely visible with reflective gear and lighting. It was devastating to hear that he was struck by a vehicle while on his commute and then passed away from complications soon afterwards.

This new bike path would provide a safe passage for many riders of all kinds. I can't think of a better way to recognize Matt Glover's dedication to cycling than naming this bike path after him.

Thank you so much for taking the time to read my email.

Sincerely,

To all members of the Alaska House Transportation Committee...

I am writing today to voice my support for SB129, An Act Naming the Matt Glover Bike Path. This bill will come before you on Tuesday February 13th. I urge you to advance this bill and to continue to support it as it is considered by the full House of Representatives.

For those of you who may not know, Matt Glover was a well-known and much-loved avid cyclist in the Fairbanks area. While commuting to work on his bike he was tragically involved in a collision with a truck, which ultimately claimed his life, in the Fall of 2022. While nothing can bring Matt back to us, naming this bike path for him is particularly fitting. Had Matt had this path available to him, he would likely still be with us. I ask you to support SB129 and urge you to find other ways to make cycling a safer transportation option in the Fairbanks North Star Borough.

Thank you for your attention to this matter.

Please vote yes to the naming of the bike path after Matt Glover. He was a beautiful person who loved Alaska, biking and nature. It was a tragedy for him to lose his life because of the accident while riding his bicycle to work. Bike paths are so important for the safety of so many people. It would be a fitting tribute to Matt to have his life remembered in this manner.

To whom it may concern:

Madam/ Mr. Chair and members of the committee,

My name is Dr. David Hastings, I live in Gainesville, FL and am representing myself. I enthusiastically support naming the new bike/pedestrian path between Airport Way and Badger Road after Matt Glover. He was an avid bicyclist, a kind, caring man, and a strong advocate for bicycling. Naming a bike and pedestrian path after Matt is entirely appropriate. I believe that a path named after Matt will help make cycling safer and will inspire people to cycle more often. AS an avid cycling enthusiast myself, this is a opportunity to name a bike path after a deserving person.

respectfully,

David Hastings

Hello,

I'm writing to support an act naming the Matt Glover Bike Path. Please name this bike path in remembrance of a wonderful man who died from injuries of being struck by a moving truck while on his bicycle. He was an adventurous and helpful person who loved his wife Ariane very much.

Thank you,

Please support the act naming the Matt Glover Bike Path. Cyclists are needlessly murdered and maimed in Alaska every year. This path will save lives and improve people's health and wellbeing.

To the House Transportation Committee:

I am writing to express my support for SB129, An Act Naming the Matt Glover Bike Path. My husband, as a member of the Fairbanks Cycling Club, knew Matt and cycled with him frequently. I support the new bike path connecting Badger Road and the new Airport junction as it will give cyclists a safe way to travel between North Pole and Fairbanks. I also wholeheartedly support naming the new path in honor of Matt Glover who was a dedicated cyclist and a good friend to the cycling community.
