Sectional Analysis | HB385 version A 2-26-24

Sec. 1: This section proposes an amendment to AS 08.01.065(c) regarding fee levels established by the Department. The amending language is conforming language that references to the new language being added to statute, via Section 2 of the legislation.

Sec. 2: This section proposes the addition of a new subsection, (l), to AS 08.01.065. It outlines provisions for licensees to submit proof of their gross income earned from holding a license in the previous calendar year to the Department. Licensees who submit proof of gross income are subject to paying fees based on either the total fees established by the Department or 20 percent of the gross income earned from holding the license in the previous calendar year, whichever is less.
