IN THE LEGISLATURE OF THE STATE OF ALASKA
THIRTY-THIRD LEGISLATURE - SECOND SESSION

BY REPRESENTATIVE EASTMAN

Introduced: 2/20/24

Referred: Labor and Commerce

A BILL**FOR AN ACT ENTITLED**

1 **"An Act relating to occupational licensing fees."**

2 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

3 * **Section 1.** AS 08.01.065(c) is amended to read:

4 (c) Except as provided in (f) - (k) of this section, the department shall establish
5 fee levels under (a) of this section so that the total amount of fees collected for an
6 occupation approximately equals the actual regulatory costs for the occupation. The
7 department shall annually review each fee level to determine whether the regulatory
8 costs of each occupation are approximately equal to fee collections related to that
9 occupation. If the review indicates that an occupation's fee collections and regulatory
10 costs are not approximately equal **for a reason other than fees being reduced under**
11 **(l) of this section**, the department shall calculate fee adjustments and adopt regulations
12 under (a) of this section to implement the adjustments. In January of each year, the
13 department shall report on all fee levels and revisions for the previous year under this
14 subsection to the office of management and budget. If a board regulates an occupation
15 covered by this chapter, the department shall consider the board's recommendations

1 concerning the occupation's fee levels and regulatory costs before revising fee
2 schedules to comply with this subsection. In this subsection, "regulatory costs" means
3 costs of the department that are attributable to regulation of an occupation plus

4 (1) all expenses of the board that regulates the occupation if the board
5 regulates only one occupation;

6 (2) the expenses of a board that are attributable to the occupation if the
7 board regulates more than one occupation.

8 * **Sec. 2.** AS 08.01.065 is amended by adding a new subsection to read:

9 (l) For any calendar year after the initial calendar year in which a license is
10 issued to a licensee, the licensee may submit to the department, in the manner
11 prescribed by the department, proof of the gross income the licensee earned as a result
12 of holding the license in the previous calendar year. The department shall collect from
13 a licensee who submits proof of the licensee's gross income under this subsection the
14 lesser of

15 (1) the total fees established under (c) and (f) - (k) of this section
16 required to be collected from the licensee for the current calendar year; or

17 (2) 20 percent of the gross income the licensee earned as a result of
18 holding the license in the previous calendar year.
