

AMENDMENT # 2

OFFERED IN THE HOUSE
TO: HB 227

BY REPRESENTATIVE GROH

1 Page 1, lines 11 - 12:

2 Delete "the vegetation is located or originated outside the boundaries of the utility's
3 real property, lease, permit, easement, or right-of-way"

4 Insert "(1) the vegetation is located or originated outside the boundaries of the utility's
5 real property, lease, permit, easement, or right-of-way; and

6 (2) at the time of contact, the utility has a vegetation management plan
7 and is in compliance with that plan; in this paragraph, "vegetation management plan"
8 means a document that establishes a procedure by which a utility will manage
9 vegetation to protect the reliability and safety of the utility's facilities"
