For this report, a vacancy is an unoccupied certified position identified by the school district. The vacancy may be the result of a new position created because of increased enrollment; a position abandoned by a contracted, certified educator; or a position that was advertised but did not attract a certified candidate that met the district's requirements or needs. A vacancy is reported by full-time equivalency or FTE.

The first day of school is the first day that certified educators would be required to report to work. First day vary from district to district because each district establishes its own calendar.
