Alaska State Capitol Room 106
Juneau, Alaska 99801

Dear Members of the House Health and Social Services Committee,

I am writing to express my strong support for House Bill 309, which grants the Alaska Board of Optometry the authority to draft regulation regarding the delegation of routine optometric services.

This simple, thoughtful, and noncontroversial legislation will allow the Board of Examiners in Optometry to regulate delegation of routine optometric service to assure continued delivery of care for Alaskans in the most cost-effective and patient centric manner. Again, many thanks for your help.

Sincerely,

Tessa Delaney, OD
