FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2024 LEGISLATIVE SESSION

Analysis

This legislation amends the crime of criminal mischief in the third degree (class C felony) to include defacing, damaging, or desecrating a structure or property used for worship or any other religious purpose. The legislation includes an affirmative defense if the person was an employee of the institution or operator of the property and was engaged in activity authorized by the institution or operator of the property.

It is unknown how many additional cases will be referred to the Criminal Division as a result of this legislation. However, the Criminal Division anticipates that it will be able to handle those cases with existing resources and, therefore, submits a zero fiscal note.
