SB 168 Version R

Sectional Analysis

“Compensation for Wrongfully Seized Game”

Section 1: Amends AS 16.05 by adding a new section, AS 16.05.197, which compensates hunters who have had certain edible animals seized by the state and are later found not guilty of violating the statute the animal was seized under. The value of this compensation comes from the restitution schedule found in AS 16.05.925(b).

Section 2: Amends AS 16.05.925(b), by increasing the penalty imposed on hunters who unlawfully take any of the animals listed in the subsection.
