(11) has violated AS 18.16.010;

(12) has violated a code of ethics adopted by regulation by the department;

(13) has denied care or treatment to a patient or person seeking

(14) has had a license or certificate to practice naturopathy in another state or a province or territory of Canada denied, suspended, revoked, surrendered while under investigation for an alleged violation, restricted, limited, conditioned, or placed on probation unless the denial, suspension, revocation, or other action was caused by the failure of the licensee to pay fees to that state, territory, or province;
