FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

BILL NO. SB 89

Analysis

This bill raises the minimum age for purchase and possession of tobacco and nicotine products to 21 years of age, adds provisions for shipment and transport of these products, and creates a class A misdemeanor for violations of these provisions.

Although this legislation expands the conduct for which one could be charged with a Class A misdemeanor the bill is not expected to have significant impact on the Office of Public Advocacy.
