Re: Hearing Request for Senate Bill 99

I respectfully request Senate Bill 99, which would create a financial literacy curriculum requirement, be scheduled for a hearing in the Senate Education Committee. This bill would give young Alaskans important life skills involving a variety of important financial topics.

The following materials are included in this hearing request:

- A copy of SB 99 (33-LS0498\S);
- A sponsor statement for SB 99;
- A sectional analysis of SB 99;
- Supporting Documents: Ramsey Solutions 2022 Study; and
- Letters of Support

If you have any questions, please contact me or Kali Spencer in my office at (907) 465-2435. Thank you for your consideration.
