RE: Support for HB 314 & SB 225 – Occupational Licensing Fees

Dear Chair Bjorkman and Chair Sumner,

The Alaska Board of Chiropractic Examiners supports HB 314 and SB 225 introduced by Governor Dunleavy.

This legislation would remove investigation, hearing, and legal costs from the regulatory costs that must currently be covered by professional license fees due to AS 08.01.065. As a result, law-abiding professional licensees would no longer have to pay fees to cover the costs of investigation professionals potentially violating Alaska laws or individuals operating without a license. This is a change that would better support Alaska's licensed professionals, including chiropractic physicians.

Sincerely,
