FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

BILL NO. HB 63

Analysis

The Workers' Compensation Appeals Commission (WCAC) hears appeals of final decisions and orders of the Workers' Compensation Board. This legislation would require new appeal cases to be filed with the Alaska Superior Court beginning on June 1, 2023, but would retain the WCAC's jurisdiction over pending matters until December 1, 2023. The WCAC would dissolve effective December 31, 2023.

This legislation would eliminate two positions and associated funding necessary to operate the Workers' Compensation Appeals Commission. Based on the December 31, 2023 date for the final repeal of the commission, FY24 cost savings are expected to be 50 percent of the budgeted costs for the year.

The regulations applicable to the Workers' Compensation Appeals Commission under 8 AAC 57.010 through 8 AAC 56.990 would need to be amended and ultimately repealed once the WCAC was dissolved.
