HB 26 Sectional Analysis

"An Act relating to the duties of the Department of Transportation and Public Facilities; and relating to a statewide public and community transit plan."

Section 1. AS. 44.42.020(a):

Amends subsections (3) and (4) in the Department of Transportation and Public Facilities' planning duties to "study alternative means of improving transportation" and "develop a comprehensive, long-range, intermodal transportation plan for the state" by including public, tribal, and community transit programs.

Amends subsection (5) to the Department's duty to study alternative modes of transportation by adding rural and remote areas to its scope, and requiring coordination with local governments and tribal entities in this process.

Adds subsection (17) which creates a new duty for the Department to develop a statewide public and community transit plan in coordination with local, community, and tribal entities.
