FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. SB 14

Analysis

This bill directs the Alaska Industrial Development and Export Authority (AIDEA) to finance "workforce residential housing" consisting of five or more dwelling units; and defines "workforce housing" as residential housing that costs the occupants less than 30 percent of the income of a household with 120 percent of the area median family income, as determined by the U.S. Department of Housing and Urban Development, for where the housing is contracted.

If this legislation passes, the requirements can be enacted within AIDEA's existing authority without any additional fiscal impact.
