5 subsidiary corporations for the purpose of financing or facilitating the financing of
6 school construction, facilities for the University of Alaska, facilities for ports and
7 harbors, the acquisition, development, management, or operation of affordable
8 housing, prepayment of all or a portion of a governmental employer's share of
9 unfunded accrued actuarial liability of retirement systems, or other capital projects. A
10 subsidiary corporation created under this section may be incorporated under
11 AS 10.20.146 - 10.20.166. The corporation may transfer assets of the corporation to a
12 subsidiary created under this section. A subsidiary created under this section may

14 of the corporation that the corporation grants to it. However, a subsidiary created for
15 the purpose of financing or facilitating the financing of prepayment of a governmental

1 employer's share of unfunded accrued actuarial liability of retirement systems may
2 borrow money and issue bonds only **after submitting a proposal to the Legislative**
3 **Budget and Audit Committee under (b) of this section,** if the state bond rating is
4 the equivalent of AA- or better, and subject to AS 37.15.903. Unless otherwise
5 provided by the corporation, the debts, liabilities, and obligations of a subsidiary
6 corporation created under this section are not the debts, liabilities, or obligations of the
7 corporation.

8 * **Sec. 2.** AS 18.56.086 is amended by adding a new subsection to read:

9 (b) Before the issuance of bonds under this section, the subsidiary corporation
10 shall submit a proposal to the Legislative Budget and Audit Committee for review,
11 and 45 days shall elapse before bonds are issued, unless the Legislative Budget and
12 Audit Committee earlier recommends that the subsidiary corporation proceed with the
13 issuance. Should the Legislative Budget and Audit Committee recommend within the
14 45-day period that the subsidiary corporation not proceed with the issuance of bonds,
15 the subsidiary corporation shall again review the proposal, and, if the subsidiary
16 corporation decides to issue the bonds, the subsidiary corporation shall provide the
17 Legislative Budget and Audit Committee with a statement of the subsidiary
18 corporation's reasons for doing so before issuance under this section.

19 * **Sec. 3.** AS 37.15.900(a) is amended to read:

20 (a) For purposes of financing prepayment of all or a portion of a governmental
21 employer's share of unfunded accrued actuarial liability of retirement systems,
22 including the costs of issuance and administration, the issuance and sale of bonds of
23 the state by the committee is authorized as provided in this section and AS 37.15.903 -
24 37.15.955, but only **after submitting a proposal to the Legislative Budget and**
25 **Audit Committee under (e) of this section and** if the state bond rating is the
26 equivalent of AA- or better. The net proceeds of the sale of the bonds remaining after
27 payment of costs of issuance and administration shall be transferred to the
28 commissioner of administration for the account of the governmental employer whose
29 share of unfunded accrued actuarial liability is to be prepaid for application to that
30 liability. Accrued interest paid on the bonds shall be paid into the pension obligation
31 bond redemption fund.

1 * **Sec. 4.** AS 37.15.900 is amended by adding a new subsection to read:

2 (e) Before the issuance and sale of bonds under this section, the committee
3 shall submit a proposal to the Legislative Budget and Audit Committee for review,
4 and 45 days shall elapse before bonds are issued and sold, unless the Legislative
5 Budget and Audit Committee earlier recommends that the committee proceed with the
6 issuance. Should the Legislative Budget and Audit Committee recommend within the
7 45-day period that the committee not proceed with the issuance and sale of bonds, the
8 committee shall again review the proposal, and, if the committee decides to issue and
9 sell the bonds, the committee shall provide the Legislative Budget and Audit
10 Committee with a statement of the committee's reasons for doing so before issuance
11 under this section.

5 the issuance. Should the Legislative Budget and Audit Committee recommend within
6 the 45-day period that the corporation not proceed with the issuance and sale of bonds,
7 the corporation shall again review the proposal, and, if the corporation decides to issue
8 and sell the bonds, the corporation shall provide the Legislative Budget and Audit
9 Committee with a statement of the corporation's reasons for doing so before issuance
10 under this section.

11 * **Sec. 8.** AS 44.85.010(a) is amended to read:

15 state to finance capital improvements or for other authorized purposes, to assist these
16 municipalities in fulfilling their capital needs and requirements by use of borrowed
17 money within statutory interest rate or cost of borrowing limitations, to the greatest
18 extent possible to reduce costs of borrowed money to taxpayers and residents of the
19 state, and equally to encourage continued investor interest in the purchase of bonds or
20 notes of municipalities as sound and preferred securities for investment;

21 (2) encourage municipalities to continue their independent
22 undertakings and financing of capital improvements and other authorized purposes
23 and to assist them by making capital funds available at reduced interest costs for
24 orderly financing of capital improvements and other purposes especially during
25 periods of restricted credit or money supply, particularly for those municipalities not
26 otherwise able to borrow for capital needs;

27 (3) assist municipalities to provide for adequate insurance coverage by

31 for municipalities or municipal joint insurance arrangements organized under

1 AS 21.76;

2 (4) assist governmental employers to prepay all or a portion of their
3 share of unfunded accrued actuarial liabilities of retirement systems in an effort to
4 reduce their costs of satisfying their contractual obligations to provide retirement and
5 other benefits to public employees through the issuance of bonds, notes, commercial
6 paper, or other obligations by the bond bank authority or by a subsidiary corporation
7 created by the bond bank authority under AS 44.85.085, but only **after submitting a**

18 of care;

2 liabilities, or obligations of the bond bank authority.

3 * **Sec. 10.** AS 44.85.085 is amended by adding a new subsection to read:

4 (e) Before the issuance of bonds, notes, commercial paper, or other obligations
