

preference rights to any veteran when he possesses the necessary qualifications in the job classification for which he applies under this Act. The term "veteran" means any person with 90 days or more of active service in the armed forces of the United States who has been honorably discharged after having served during any period between April 6, 1917 and December 1, 1919, between September 16, 1940 and December 31, 1947, or between June 27, 1950 and January 31, 1955. The term "disabled veteran" means a veteran who is rated by the United States Veterans' Administration as having at least a 10 per cent service connected disability. In all examinations

to determine the qualification of applicants for entrance into the classified service under merit system examination, five additional points shall be added to the passing grade of a veteran and ten additional points shall be added to the passing grade of a disabled veteran. If any position in the classified service is eliminated, employees shall be released in accordance with rules which shall give due effect to all factors. In the event all job qualifications are equal the veteran will be given preference over the non-veteran and the veteran will be kept on the job.
