Chapter No.:

74

AN ACT

Relating to boiler and unfired pressure vessel certificate and inspection fees; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 18.60.340(a) is amended to read:

(a) If, upon inspection, a boiler or an unfired pressure vessel complies with the rules and regulations of the Department of Labor, the owner or user shall pay to the deputy inspector a certificate fee to be established by regulation by the commissioner of labor. The Department of Labor shall issue the owner or user an inspection certificate showing the date of inspection and specifying the maximum pressure under which the boiler or unfired pressure vessel may be operated. The inspection certificate is valid for not more than 14 months from its date in the case of power boilers and 26 months in the case of low pressure heating boilers, and for not more than two months longer than the authorized inspection period in the case of unfired pressure vessels. Certificates shall be posted under glass in the room containing the boiler or

unfired pressure vessel inspected. If the boiler or unfired pressure vessel is not located inside the building, the certificate shall be posted in a location convenient to the boiler or unfired pressure vessel, or in the case of a portable boiler or unfired pressure vessel the certificates shall be kept in a metal container fastened to the boiler or vessel or in a tool box accompanying the boiler or unfired pressure vessel.

* Sec. 2. AS 18.60.360 is repealed and re-enacted to read:

Sec. 18.60.360. INSPECTION FEES. (a) The commissioner of labor shall, by regulation, establish reasonable fees to be charged for the inspection of boilers and unfired pressure vessels. Separate fees may be established for external inspection, internal inspection, shop inspection and hydrostatic tests, and fees may vary depending upon the rated power, heating surface area or cross sectional area of boilers and unfired pressure vessels.

(b) The owner or user of a boiler or unfired pressure vessel which is inspected by a deputy inspector shall pay the deputy inspector, upon completion of the inspection, the appropriate inspection fee established under (a) of this section.

(c) The Department of Labor shall give an official receipt for an inspection fee collected under this section and shall transfer the amount of the fee to the Department of Revenue for deposit in the fund established in sec. 380 of this chapter.

* Sec. 3. AS 18.60.380 is amended to read:

Sec. 18.60.380. CREATION OF BOILER FUND. There is

created a fund, designated as the "Boiler Fund", to be administered by the Department of Labor. The commissioner of revenue is custodian of the fund. The fund is composed of the money derived from certificate fees, inspection fees, examination fees, and money appropriated to carry out secs. 180 - 390 of this chapter. The Department of Labor shall approve vouchers for payments from the fund for expenses and disbursements necessary to carry out secs. 180 - 390 of this chapter.

* Sec. 4. This Act takes effect on the day after its passage and approval or on the day it becomes law without such approval.
