

program on the state level since the Alaska fishery resource is the greatest in the nation and an accelerated effort in research and development is needed if we are to catch up and compete with foreign fishing enterprises; and

WHEREAS it is essential that Congress provide the full amount of funds authorized for this essential research and development of the national fishery through federal and state cooperation;

BE IT RESOLVED that the Congress is urged to appropriate the full amount of research and fishery funds authorized by the Commercial Fisheries Research and Development Act of 1964; and be it

FURTHER RESOLVED that copies of this resolution be sent to the Honorable

Lyndon B. Johnson, President of the United States; the Honorable Hubert H. Humphrey, Vice President of the United States and President of the Senate; the Honorable Carl Hayden, President pro tempore of the Senate and Chairman, Senate Appropriations Committee; the Honorable John W. McCormack, Speaker of the House of Representatives; the Honorable George H. Mahon, Chairman, House Appropriations Committee; the Honorable Winfield K. Denton, Chairman, House Appropriations Subcommittee on Interior and Related Agencies; and the Honorable E. L. Bartlett and the Honorable Ernest Gruening, U.S. Senators, and the Honorable Ralph J. Rivers, U.S. Representative, members of the Alaska delegation in Congress.

SENATE JOINT RESOLUTION NO. 50

Endorsing S. 1091, now before Congress, which relates to the exploration and development of the continental shelf.

Be It Resolved by the Legislature of the State of Alaska:

WHEREAS the members of the Alaska Legislature are familiar with Senator Bartlett's bill (S. 1091) which proposes a positive program for the exploration and economic development of the physical, chemical, geological and biological resources of the continental shelf; and

WHEREAS the Alaska Legislature is aware of the startling discoveries of rich and extensive mineral and other resources on the continental shelf which have been made in recent years; and

WHEREAS the Alaska Legislature believes that the potential economic value of the enormous resources awaiting exploration on the shelf is of such magni-

tude as to compel the adoption of the program made possible by S. 1091;

BE IT RESOLVED that the Legislature of Alaska strongly endorses S. 1091 and urges the Congress of the United States now assembled to take appropriate action to insure its prompt passage; and be it

FURTHER RESOLVED that copies of this resolution be sent to the Honorable Hubert H. Humphrey, Vice President of the United States and President of the Senate; the Honorable Carl Hayden, President pro tempore of the Senate; the Honorable John W. McCormack, Speaker of the House of Representatives; the Honorable Warren G. Magnuson, Chairman of the Senate Commerce Committee; and the Honorable E. L. Bartlett and the Honorable Ernest Gruening, U.S. Senators, and the Honorable Ralph J. Rivers, U.S. Representative, members of the Alaska delegation in Congress.

SENATE JOINT RESOLUTION NO. 52

Relating to legislation to repeal Section 14(b) of the Labor Management Relations Act of 1947 Authorizing State Enactment of Right-to-Work Laws.

Be it Resolved by the Legislature of the State of Alaska:

WHEREAS Sec. 14(b) of the Labor Management Relations Act of 1947 permits States and Territories of the United States to prohibit contractual agreements between Labor and management requiring membership in a labor organization as a condition to continued employment; and
