Chapter No.

176

AN ACT

Relating to the promulgation of regulations by the Department of Public Safety; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

- * Section 1. AS 18.70.080(a) is amended to read:

Sec. 18.70.080. REGULATIONS. The Department of Public Safety shall adopt rules and regulations for the purpose of protecting life and property by establishing minimum standards for the prevention of fire and explosion arising

(1) in a commercial, industrial, business, institutional or other public building or in an activity wherein combustible or explosive materials are stored or handled in commercial quantities;

(2) in a building used for residential purposes and containing four or more dwelling units;

(3) from conditions or activities carried on outside a building as defined in (1) and (2) of this section likely to cause injury to persons or property.

- * Sec. 2. AS 18.70.080(b) is repealed.

- * Sec. 3. AS 18.70.050 is amended to read:

Sec. 18.70.050. POWER OF DEPARTMENT TO INSPECT BUILDINGS. The Department of Public Safety may enter any building subject to regulation under sec. 80 of this chapter during reasonable hours for the sole purpose of inspecting the property, or abating a fire hazard.

- * Sec. 4. AS 18.70 is amended by adding a new section to read:

Sec. 18.70.165. DEFINITION OF BUILDING. In this chapter "building" means a structure, installation, facility, or edifice erected or in the process of being erected and which is used or intended for use as a commercial, industrial, business, institutional, other public building, or residential building containing four or more building units.

* Sec. 5. This Act takes effect on the day after its passage and approval or on the day it becomes law without approval.
