Chapter No.

74

## AN ACT

Relating to the certificate of fitness required in order to handle explosives; and providing for an effective date.

### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

\* Section 1. AS 08.52.020 is repealed and re-enacted to read:

Sec. 08.52.020. CERTIFICATE OF FITNESS REQUIRED. In connection with an excavation, tunnel, quarry, earth removal or construction carried on in this state, no person may be employed without a certificate of fitness, while engaged in

- (1) emplacing explosives for detonation,
- (2) installing primers, fuses, wires or other means of detonation, or
- (3) detonating explosives.

\* Sec. 2. AS 08.52.040 is amended to read:

Sec. 08.52.040. ISSUANCE AND CONTENTS OF CERTIFICATE. If, upon investigation and examination by the department, the applicant is found competent by reason of training and experience and physical fitness, the department shall issue a certificate of fitness. The certificate shall set forth the competency of the applicant and provide for his positive identification, and shall be carried on the person engaged in handling explosives.

\* Sec. 3. This Act takes effect on the day after its passage and approval or on the day it becomes law without approval.
