## HOUSE CONCURRENT RESOLUTION NO. 13

Relating to employment of Alaskans.

-----

### BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS there are hundreds of employable Alaskans receiving welfare assistance; and

WHEREAS various segments of the state's industry are importing people from other states to take jobs here that could be filled by these employable Alaskans; and

WHEREAS adequate training could easily be provided by the employers for these residents who, but for their unfamiliarity with a particular job, are otherwise qualified;

BE IT RESOLVED that it is the expressed desire of the Legislature that all Alaska employers and labor unions within the state promote the full employment of Alaska residents through policies of hiring and training the employable in Alaska rather than importing workers from other states.

COPIES of this Resolution shall be sent to the Associated General Contractors, all major labor unions and the State Department of Labor.
