SENATE RESOLUTION NO. 6

Requesting the extension of the Iliamna portage road northward to the vicinity of the mouth of the Tazimina River.

BE IT RESOLVED BY THE SENATE:

WHEREAS the village of Nondalton is situated several miles from the terminus of a road leading from Iliamna to a boat landing site on the Newhalen River; and

WHEREAS presently supplies coming into the large airfield at Iliamna must be transported by boat to the village of Nondalton; and

WHEREAS the extension of the road from Iliamna several miles toward Nondalton would eliminate many tedious and expensive hours of boat travel to pick up supplies at Iliamna;

BE IT RESOLVED that the Governor is respectfully requested to direct the Department of Highways to extend the Iliamna portage road northward to the approximate vicinity of the mouth of the Tazimina River.
