Chapter No.

101

AN ACT

Relating to a community grant-in-aid program for alcoholism; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 47.30.470 is amended by adding a new paragraph to read:

(6) administer a community grant-in-aid program for alcoholism.

* Sec. 2. AS 47.30 is amended by adding new sections to read:

Sec. 47.30.475. GRANT-IN-AID PROGRAM. (a) A non-profit corporation, a city or borough government, or other political subdivision of the state, or a combination of these, is eligible for grant-in-aid funds under this section. Applications shall be sent to the department.

(b) The department shall award grants under this section with the advice of the Advisory Board on Alcoholism, in the interest of providing or developing a comprehensive program of alcoholic rehabilitation and prevention. Grants will be awarded on a competitive basis. The department shall consider the amount of money that is available for all applications and whether an application would contribute to the wise development of a comprehensive program.

(c) Grants shall be awarded in a ratio of 75 per cent state money to 25 per cent community money for the purpose of providing staff, and in the ratio of 75 per cent state money and 25 per cent to community money for the purposes of providing limited improvement, renovation or new construction of facilities for alcoholic detoxification, rehabilitation or "half-way house" care. No grant

for improving, renovating or constructing may exceed \$50,000 except when there is a lack of applicants for available money and then only with the approval of the Advisory Board on Alcoholism. The department is not required to award all money available under this program, or the full percentage specified in this subsection, when another source of money is available or could reasonably be made available to the applicant.

(d) Money used by the applicant to qualify for state money may be from any source other than the state. The cost of developing an application is not reimbursable from the grant. The value of real property to be used directly in conjunction with the grant may be used in calculating the required amount of community money, as allowed by regulations of the department.

Sec. 47.30.477. GRANT-IN-AID PROGRAM REGULATIONS. The department shall adopt regulations implementing sec. 475 of this chapter. The regulations shall provide for the method of application, the time for consideration of applications, the processing of applications, the type of record keeping, the requirements for reporting the progress and statistics regarding the program, the notification of the applicant as to the action taken on the application, and the issuance of licenses for facilities receiving grants-in-aid under sec. 475 of this chapter. The department shall also establish the necessary forms of application and may adopt other regulations considered necessary to meet the requirements of health and safety and the orderly administration of the grant-in-aid program.

* Sec. 3. The department shall submit an annual report concerning alcoholism in Alaska and the grant-in-aid program within 10 days after the convening of the legislature in each regular session.

* Sec. 4. This Act takes effect July 1, 1970.
