Chapter No.

70

AN ACT

Relating to assaying and analyzing of Alaskan ores and minerals.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 27.05.080 is amended to read:

Sec. 27.05.080. PUBLIC ASSAY OFFICES. The department shall, for the purpose of aiding bona fide miners and prospectors and stimulating mineral discoveries, establish at least one public assay office in each of the four judicial districts. The department may fix and prescribe rules, regulations and procedures considered necessary and expedient to carry out this section and sec. 90 of this chapter.

* Sec. 2. AS 27.05.090 is amended to read:

Sec. 27.05.090. APPOINTMENT OF ASSAYERS, INFORMATION AND PROCEDURE. The department shall appoint for each public assay office a competent person to make assays and analyses of Alaskan ores and minerals. No charge shall be imposed for an assay or analysis. When an assay and analysis are made the person requesting them shall state upon forms furnished by the department: (1) his permanent residence address; (2) a description, as precise as possible, of the location where the sample was taken; and (3) other information that the department by regulation may require that may be beneficial toward evaluation of the state's mineral resources. Information received and assay results shall be kept confidential for a period of two years. At the end of that period the information and results shall be open to public inspection and may be published by the department.
