AN ACT

Relating to relief and rescue parties; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 18.60.130 is amended to read:

Sec. 18.60.130. EXPENSES OF RELIEF AND RESCUE PARTIES. The expense of the relief and rescue party shall be paid out of the state treasury upon vouchers properly made out and signed and sworn to by the person appointed to direct the rescue and relief party. The oath to the voucher shall be taken and made before the magistrate who appoints the person and may be paid only after it has been approved by the commissioner of public safety or his designee. In approving the voucher, the commissioner of public safety or his designee shall consider the necessity of the relief and rescue party, the reasonableness of the expenses and the proper audit of the voucher. The commissioner of public safety shall adopt rules and regulations for the guidance of magistrates governing the authorization of rescue and relief parties and of their expenses.

* Sec. 2. AS 18.60.140 is amended to read:

Sec. 18.60.140. LIMITATION OF AMOUNT OF EXPENDITURE FOR RESCUE OR RELIEF. A magistrate may obligate the state in an amount up to \$750 in any one case of rescue and relief. If the commissioner of public safety or his designee approves, he shall state the additional amount that may be expended in each case, and his approval shall be attached to the voucher.

* Sec. 3. This Act takes effect on the day after its passage and approval or on the day it becomes law without approval.
