Relating to liquor licenses.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

Sec. 04.10.270. RECOMMENDATION OF GOVERNING BODY IN LIEU OF PUBLIC CONSENT. An application for a transfer, renewal or new license coming from within an incorporated municipality shall have attached to the application, in lieu of the consent required in sec. 190(a)(5) of this chapter, a recommendation of the city council of the incorporated city, or, if the application is for premises within the area of an organized borough outside the boundaries of an incorporated city, the recommendation of the borough assembly, as to the integrity of the applicant and the desirability of issuing a license for the premises mentioned in the application. This recommendation is binding on the board unless the board after a hearing as provided in this title determines that the city council or borough assembly acted in a capricious or arbitrary manner, and states in writing its findings as to the capricious or arbitrary aspects of the action of the council or assembly. The failure of the city council or borough assembly to act upon an application for license within 30 days of receipt of the application is a default and subjects the city to the penalty of losing its right to the refund provided in sec. 460 of this chapter.
